Call for nominations for those interested in joining the

FISAF International Supervisory Board

According to our Articles of Association a person cannot be present in two FISAF International Committees. Stefan Westerback was a member of both the Supervisory Board and the Education Committee therefore to resolve this matter, he has resigned from his position as member of Supervisory Board. He will remain on the Educational Committee and was recently elected as the Chair of this Committee.

This of course means there is a place on the Supervisory Board, so please, send your nominations before 20th of December, via email to the Main Office: info@fisafinternational.com
